Re: Ohio County Water District
Case No. 2008-00317

Dear Mr. Beasley:

This letter confirms our telephone conversation of this day regarding the above-referenced case.

In our conversation, you advised that the proposed credit/debit card processing fee of \$1.35 set forth in the utility's notice represents the fee that the utility would assess if its average monthly customer bill was paid by credit card or debit card. The fee set forth in the utility's Credit/Debit Card Policy ("a fee equal to that charged to the utility by the credit or debit card processing company to process the transaction") is the fee that the utility proposes to charge.

If your recollection of our conversation differs, please advise the Commission's Executive Director in writing within 7 days of the date of this letter.

Any questions regarding this letter should be directed to me at (502) 564-3940, Extension 259.

Sincerely,

Gerald E. Wuetcher
Assistant General Counsel
